

SUNY Upstate Summer Volunteer Program

What: A unique opportunity for students to acquire valuable experience and skills within a hospital setting. Students will explore various careers while assisting patients and visitors.

Who: Teens must be 15 years old by June 1, attend a mandatory virtual orientation on July 1 and commit to one 4-hour shift once a week.

How: Applications will be available April 15 - April 29, 2024.

When: Teens will volunteer 4 hours each week during the summer, with a set day/time provided.
